ABOUT RIFLE PAPER CO.

Founded in 2009 by husband-wife team Anna and Nathan Bond, Rifle Paper Co. is a stationery and lifestyle brand based in Winter Park, Florida. What began as a small business based out of Anna and Nathan's garage apartment has quickly grown into an international brand. We strive to deliver a carefully curated collection of products driven by our passion for design and quality. Everything we create is thought through, tested and inspected to ensure we end up with goods we would not only use ourselves but are proud to share. Now in our seventh year, Rifle Paper Co. is ranked on the Inc. 500 list as one of the fastest-growing privately held companies in the U.S.

RIFLE PAPER CO. SUMMER 2016 ISSUE No. 14

It may still be spring as we go to print but the summer weather has officially arrived here in Florida. Our tropical surroundings provided inspiration for a number of new products including our Paradise Gardens calendar, Monstera Leaf print, and Jungle pattern.

In this catalog you'll find new designs in nearly every category, a new holiday collection, and a brand new format – our keepsake address book. The new address book has been a top-requested product for some time and is beautifully bound with book cloth and printed with a metallic copper cover design. Our calendars for 2017 are full of new whimsical florals, iconic destinations and everything in between. It will be hard for me to pick a favorite!

Here at the studio we're reimagining our space with the help of a new 17,000 sq. ft. warehouse that now houses our Assembly and Fulfillment teams under one roof and gives them ample space to fulfill orders. This has allowed us to increase efficiencies and free up studio space for the future expansion of our flagship retail store.

We have many more exciting projects, collaborations, and new formats in the works and look forward to sharing more throughout the year!

ABOUT RIFLE PAPER CO.

Founded in 2009 by husband-wife team Anna and Nathan Bond, Rifle Paper Co. is a stationery and lifestyle brand based in Winter Park, Florida. What began as a small business based out of Anna and Nathan’s garage apartment has quickly grown into an international brand. We strive to deliver a carefully curated collection of products driven by our passion for design and quality. Everything we create is thought through, tested and inspected to ensure we end up with goods we would not only use ourselves but are proud to share. Now in our seventh year, Rifle Paper Co. is ranked on the Inc. 500 list as one of the fastest-growing privately held companies in the U.S.
